### Additional Services

Elite PLUS  Support

For larger, high profile meets where multiple equipments sets may be rented, Elite Technology Company can provide the services of a qualified Field Engineer to assist with equipment set-up, testing, and training of the meet personnel who will be operating the scoring equipment. Further, field engineer will be on-site to troubleshoot any problems and to insure 100% equipment availability.

Price: \$500/day plus all travel and living expenses.

This service does provide for an emergency spare parts consignment kit that the field engineer will bring to meet site.
